EXPECTATIONS OF PARTICIPANTS OF LONG TERM TRANSITIONAL PROGRAMMING

Leading Thunderbird Lodge will soon be offering Long Term Transitional Programming for graduates of their residential treatment program. The goal of this program is to provide youth who are at least 16 years of age with a healthy, supportive living environment in which they can pursue their high school education, gain work experience, enhance life skills and strive towards a post-secondary education or skills in the area of trades training. Interested applicants must submit:

- ✓ A completed Long Term Transitional Programming Intake Form
- ✓ Provide a letter of interest along with their completed intake form
- ✓ Provide a letter of support from their referral person

All applications will be reviewed and chosen by the Clinical, Cultural and Educational Team at LTL based on applicant interest, referral support, merit and past experience while in LTL's residential treatment program.

It is the expectation that applicants chosen to attend LTL's Long Term Transitional Program be agreeable to the following (please have them check off the boxes):

- Must be willing to pursue their high school education and attend full-time school at Bert Fox Composite High School in Fort Qu'Appelle
- Must be willing to pursue work experience through community partnerships with local businesses
- Must be willing to undertake life skills programming in regards to: house chores/cleaning, laundry, cooking, budgeting, personal hygiene, nutrition, safe food handling, driver training, etc.
- Must be willing to follow the rules and policies as set out for the Long Term Transitional Program
- Must be willing to not use substances and undergo random drug testing

Participants in LTL's Long Term Transitional Program must also continue developing in these areas:

- Spirituality – Be open and willing to continue their spiritual healing journey
- Emotionally – Be able to self-regulate and have self-awareness
- Physically – Be able to care for their personal hygiene and display healthy boundaries
- Mentally – Have a high school level education and be willing to continue their learning journey
